USC Platform — Testing Guide

For Bhavyansh (& anyone testing)

URL: https://usc-platform-beta.vercel.app **Date:** 14 April 2026

How to Test

Open the URL on your phone (best experience) or laptop. Go through each section below one by one. Note anything that feels broken, ugly, slow, or confusing.

TEST 1: Sign Up & Login

- [ ] Open the site → tap "Join the Club"
- [ ] Sign up with Google (or email)
- [ ] After login, you should land on the **Dashboard**
- [ ] Your name should show at the top
- [ ] Check: Does the dashboard show your name correctly?

TEST 2: Homepage (logged out)

- [ ] Open the site in incognito/private mode (not logged in)
- [ ] You should see the dark homepage — "Play. Compete. Flex."
- [ ] Check: Live stats (Athletes, Events, Games Played) — do numbers show?
- [ ] Check: Live Feed section — does it show recent activity?
- [ ] Check: Upcoming events cards — do they appear?
- [ ] Check: Sports pills at bottom — do they show?
- [ ] Tap "Join the Club" — does it take you to login?

TEST 3: Create an Event

- [ ] Go to Dashboard → "Create Event" (or /events/new)
- [ ] Fill in: Title, Sport (pick from dropdown), Date, Time, Location, Capacity
- [ ] For a paid event: add Total Cost and UPI ID
- [ ] Tap Create
- [ ] Check: Does the event appear on the Events page?
- [ ] Check: Does the event detail page look correct?

TEST 4: RSVP to an Event

- [ ] Open any event
- [ ] Tap "Join This Event" (RSVP button)
- [ ] Check: Does it confirm your RSVP?
- [ ] Check: Does your name appear in "Who's coming" list?
- [ ] Check: Does the spots count go down by 1?
- [ ] Try RSVPing again — it should say you already joined or let you cancel

TEST 5: Waitlist (when event is full)

- [ ] Create an event with capacity = 1
- [ ] RSVP with one account (fills it up)
- [ ] Open same event with a different account
- [ ] Check: Does it show "Join Waitlist" instead of "Join"?
- [ ] Tap Join Waitlist
- [ ] Check: Does it show your waitlist position?

TEST 6: Event Photos

- [ ] Open any event → tap "Photos" button
- [ ] If you're the host: you should see "Upload Photos" section
- [ ] Upload 2-3 photos
- [ ] Check: Do photos appear in the gallery?
- [ ] Tap "Find me in photos" → take a selfie
- [ ] Check: Does face detection run? (you'll see a scanning animation)
- [ ] If it finds you: does it highlight your photos with "That's you!"?

TEST 7: Leaderboard

- [ ] Go to /leaderboard
- [ ] Check: Dark theme, gaming style
- [ ] Check: Does it show XP and level badges (Rookie, Rising, Warrior...)?
- [ ] Check: "Hot This Week" section — does it show?
- [ ] Check: Your rank card at top (if you've played games)
- [ ] Check: XP progress bar to next level

TEST 8: My Photos Page

- [ ] Go to /photos (or tap Photos in bottom nav on mobile)
- [ ] Check: "Find me" button — tap it, take selfie
- [ ] If matches exist: photos should appear
- [ ] Check: "Events with photos" list at bottom

TEST 9: Profile Page

- [ ] Go to /profile/[your-id] (tap your name anywhere)
- [ ] Check: Shows your stats (games played, hosted, sports)
- [ ] Check: Achievement badges
- [ ] Check: USC Wrapped link
- [ ] Check: Invite Friends link

TEST 10: USC Wrapped

- [ ] Go to Dashboard → "Wrapped" card
- [ ] Check: Shows your stats card (games, top sport, etc.)

- [ ] Check: Week/Month toggle works
- [ ] Check: Share buttons (WhatsApp, Copy Link)

TEST 11: Invite Friends

- [ ] Go to Dashboard → "Invite" card
- [ ] Check: Shows your personal invite link
- [ ] Copy the link → open in incognito
- [ ] Check: Does it show YOUR name and stats to the visitor?

TEST 12: Admin Panel (only for admins)

- [ ] Go to /admin
- [ ] Check: Shows stats (Total Members, Events, RSVPs)
- [ ] Check: Generate Challenge Code button works
- [ ] Check: Can change user roles from the dropdown
- [ ] Check: AI Command Center link works → /admin/social
- [ ] Check: Setup Guide link works → /admin/setup

TEST 13: AI Command Center (admin only)

- [ ] Go to /admin/social
- [ ] Check: Shows which platforms are connected (green dots)
- [ ] Check: "Post Now" — upload a photo, see AI generate a caption
- [ ] Check: "AI Outreach" — pick a business type, generate a message
- [ ] Check: Copy button works for generated messages

TEST 14: Mobile Experience

- [ ] Open the site on your phone
- [ ] Check: Bottom navigation bar shows (Home, Events, Photos, Rankings, Me)
- [ ] Check: Tapping each nav item goes to the right page
- [ ] Check: Pages don't have content hidden behind the bottom nav
- [ ] Check: Everything readable on small screen (no text cutoff)

TEST 15: Edge Cases

- [ ] Try creating an event with date in the past — what happens?
- [ ] Try RSVP-ing to a full event — does waitlist show?
- [ ] Open a page that doesn't exist (e.g., /blahblah) — does 404 page show?
- [ ] Refresh any page — does it load correctly?
- [ ] Check page speed — does anything feel slow?

How to Report Issues

For each issue, note:

1. **What page** were you on? (URL or page name)

2. **What did you do?** (tapped X, scrolled to Y)
3. **What happened?** (error, blank screen, wrong text)
4. **What should have happened?**
5. **Screenshot** if possible

Send all issues to Avi — he'll pass them to the dev team.

Login Credentials

Person	How to login
Bhavyansh	Sign up fresh with your Google account
Avi	Already logged in as admin (owner@usc.com)

After Bhavyansh signs up, Avi will make him admin from the Admin Panel.
